

NTU Piano Ensemble

FOR PIANISTS, BY PIANISTS

About

Since its establishment in 2002, NTU Piano Ensemble (NTUPE) has engaged many piano enthusiasts in the university. It is our mission to elevate piano music to greater heights by promoting greater appreciation among NTU students and the public.

NTUPE provides ample opportunities for our members through organising various public performances such as Tickling the Ivories and Eleganza Concerts. We have performed at prestigious locations such as the Esplanade, Nanyang Academy of Fine Arts, and the Jubilee Concert Hall.

In the spirit of giving back to the wider community, NTUPE has also performed at Alexandra Hospital, NTUC Nursing Home and SWAMI Home.
